3rd Year, MBA Tech (Computer Engineering)
Roll No. N234 | SAP ID 70472400237

STRATEGIC OBJECTIVES

- Support cow welfare through dedicated feeding, care & shelter maintenance
- Understand sustainable livestock management & environmental stewardship
- Build empathy, compassion & a strong sense of social responsibility
- Strengthen teamwork, leadership, communication & problem-solving
- Appreciate the cultural significance of Gaushalas in community life

01 On the Ground — Daily Work

- Fed cows nutritious fodder and ensured clean drinking water every day
- Maintained hygienic cattle shelters and assisted with general upkeep
- Observed animal health and behaviour alongside Gaushala staff
- Coordinated with staff and fellow volunteers, building consistency and teamwork
- Practiced patience, discipline and ethical responsibility in daily animal care
- Understood how grassroots organizations advance sustainable development and preserve cultural values
- Learned how eco-friendly by-products support grassroots sustainability

02 Outcomes & Competencies Gained

- ✓ Empathy and compassion toward animals and their well-being
- ✓ Practical knowledge of cattle care, feeding and hygiene
- ✓ Improved teamwork, communication and interpersonal skills
- ✓ Leadership, adaptability and problem-solving abilities
